

superior products to grow your own

Inspirational gardening at RHS Chelsea Flower Show 2010

For new season garden trends, organic solutions and exclusive product design launches that'll excite fruit and vegetable gardeners of all levels, visit Harrod Horticultural at 38 Pavilion Way...

Exclusively Exhibiting...

"One-Stop Shop" Raised Bed Gardening package Nobody does it quite like us, we have 3 FSC Timber Bed designs, with multiple height and width options, plus clever triangle corner beds for tight spots. We even have the soil to fill them, the organic seeds to sow and the fitted crop protection frames and mesh covers too.

Stunning crop protection Our Decorative Steel Fruit Cage has elevated fruit and vegetable growing to a higher echelon and is a firm Chelsea Flower Show favourite. It blends the strength of steel with the graceful sweeping lines of a peak roof, no wonder it features in RHS gardens across the country.

NEW Sneeboer hand forged stainless steel tools Including innovative fork and spade designs to suit lady gardeners as well as the popular short and long handled tools.

Exclusively Launching...

Patio Growing range Our inspirational timber range offers big returns from small spaces. The Manger Raised Planter, Raised Tables, triple layered Vegetable Garden Frames and wall mounted Bookshelf Planter are low maintenance crop growing environments that encounter fewer pests and diseases.

Natural Choice Pest Control We've got the advice to share and the ORGANIC solutions too. Our 24 page "Little Book of Pests" demystifies all things pests with an A-Z easy identification guide to their appearance, damage and the best way to gain control – it's all available on our website too!

ORGANIC Vegetable Seed Range Famed for our superior hardware products, it was only a matter of time before we added a comprehensive range of vegetable, leafy salad and herb seed varieties. Our range promises excellent looking crops with great performance and a delicious taste!

Exclusive Expert Advice...

Why not stop by and talk to Jaap Sneeboer of Sneeboer Tools or Julian Ives, Harrod Horticultural's Pest Control Expert? Their experience and knowledge compliments our range so there's sure to be a story or two for you here!

Collect a **Harrod Horticultural Press Pack** from the Press Tent at the Chelsea Flower Show for the chance to win one of 5 **EXCLUSIVE A-Frame Vegetable Gardens** or other smaller prizes in our competition for Garden Writers.
