

superior products to grow your own

All the ingredients for a great Summer!

The kitchen has always been inextricably linked to the vegetable garden, and thanks to Harrod Horticultural's new range of quality kitchenware and food preparation products, you'll be able to follow your fruit and vegetables on their journey right through from the kitchen garden to the plate!

Summer is the season when kitchen garden harvesting kicks off in earnest and you'll be able to slice, mill, chop and press your produce within seconds of picking thanks to the **mandoline, ricer, food mill and salad spinner** line-up we've chosen. Herbs aren't left on the sidelines either, with **five-bladed herb scissors**, an exceptionally sharp **hachoir** and **cutting board** set and **herb mill** all on hand to prepare and add that just-picked flavour to kitchen creations.

And if you're thinking of making chutney, jams or preserves for enjoyment at a later date, you'll be glad of the assistance of our Jam Making products. We've put together a kit comprising of a **maslin pan, thermometer and funnel** - along with a few other essentials such as **jars, spoons, straining bags and labels** - and the top quality stainless steel kitchenware should bring out the best of your jam making skills. The reassuringly rugged **Kilner Jars** provide a storage solution you won't want to hide away - and with the traditional clip-top creating an airtight seal, you can be sure your wares will stay fresh indefinitely!

But all work and no play isn't a winning recipe and enjoying the garden should be a number one priority this summer. Why not tuck into those home-made dishes outside on the patio this year? Maybe have a few friends around or just relax and watch the sun go down, all with a little help from our stylish, sizzling, summer outdoor selection. Blend Parisian style with British institution by pairing up the **Rive Droite Table and Chair Set** and a **Kew cake stand and jug**; bring a little taste of Italy to the European scene thanks to the blown glass **Roma bottles** and collect the empties at the end of the night with the **six glass carrier**.

superior products to grow your own

Here's a brief lowdown on a few of our summer favourites...

Playing the right tune!

Winner of the prestigious Red Dot Design Award, this finger-friendly but razor-sharp **Zyliss® Gourmet Vegetable Mandoline** – complete with four graded slicers and 2 julienne blades - will make short work of slicing, dicing, shredding and stripping your home-grown allotment, kitchen garden and vegetable plot produce!

Kilner quality!

Ranging from 0.5 litres right up to 3 litres in size, these clip-top, air tight and thoroughly desirable glass **Kilner Jars** are ideal for kitchen jams, pickles, chutneys and preserves. With a history stretching back over 150 years, they've helped to keep a mountain of home-made produce fresh!

Saucy and stylish!

The **Stainless Steel Rotary Food Mill** possesses the enviable trait of completing a number of jobs very well; from creating home-made coulis, purees and sauces from grow your own garden produce to grating cheese, nuts and chocolate as well as sieving fruit pips, skins and cores - and even preparing baby food!

Sit back and relax!

There's no better viewpoint to admire your green-fingered handiwork from than the stylish **Rive Droite Table and Chair Set**; finished in a very attractive burnished coffee bean colour, the two chairs and a table will bring a little Provençal Chic to your garden, patio or balcony.
